IT Security Council Highlights

- **Supplier guest speaker was well received**
- **e-Diagnostics was unanimously and rapidly voted as first priority**
 - Want to be involved early in the process
 - Serve in an enabling role
 - Want to work closely with the e-Diagnostic team (joint meeting)
 - Inevitable

Other Areas of Interest

- **Benchmarking of Best Practices i.e., Virus prevention, remote access, VPN...**
- **Mergers, acquisitions and joint ventures**
- **Encryption and certification of email and software**
- **Foundry data exchange (e.g., TSMC)**
- **European Member meeting**
